CHECK IN AT THE TIME AND DESIGNATED AREA LISTED ABOVE. We will have a small area for parents to wait, however, please feel free to run errands, go for coffee, etc. *Parents are not allowed to go with student to their testing room. We have to follow the RULES as required by the Texas Music Teachers Association. It is very important that all cooperate to keep noise, conversation as quiet as possible, and to keep hall areas open for movement of the students to their proper location.* **MUSIC THEORY testing requires the best thinking and concentration a student has. They should not be distracted by unnecessary noise. Also, please keep in mind that your child is never left alone.**

The students will be returned to the Family Life Center upon completion of the test. **Allow one hour for testing in Grades 1, 2, 3; two hours for grades 4, 5, 6, 7, 8, 9; and a maximum of three hours for grades 10, 11, and 12. Older students who drive themselves to take the test may leave upon completion of the test.**

We appreciate the opportunity to have the **STUDENT AFFILIATE THEORY TESTING** available for your children and we thank you for helping us to make this a successful day for each one of them.
